

ROYAL ASCOT TIP SHEET – SATURDAY, JUNE 24

From Brian Nadeau

<p>RACE 1 Listed Stake 9:30AM ET</p>	<p>#16 September: Heavy chalk aired in his debut and could be any kind; too tough for these. #8 Masar: All-out to win at Goodwood, but should improve for Godolphin; the main danger. #10 Optimum Time: Underrated Windsor win, and the 7Fs should work too; price chance. #12 Westerland: Juddmonte colt has experience and these Frankel's can run; worth a look.</p>
<p>RACE 2 Listed Stake 10:05AM ET</p>	<p>#6 Khairaat: Shadwell runner enters off three straight and is getting better; looms large. #16 Pacify: Needed the comeback, and there's some prior form to fall back on; EX price #12 Mythical Madness: Much-improved in last two, though distance is a question; using. #7 Kidmenever: Plenty of experience for Godolphin, but no upside or price; tread lightly.</p>
<p>RACE 3 GII Hardwicke 10:40AM ET</p>	<p>#6 Dartmouth: Win machine beat a good group in York GII and is Stoute's best hope; scary. #9 My Dream Boat: Price play has faced two toughies in 2017 while running well; intriguing. #14 Wings Of Desire: Did some big thing at 3, but the August layoff worries; may need one. #7 Idaho: Coolmore dropper has faced some studs but looks off-form; underneath, if at all.</p>
<p>RACE 4 GI Diamond Jubilee 11:20AM ET</p>	<p>#9 Magical Memory: Solid 2nd in GII York comeback and can build off that; upset special. #7 Limato: Sprint star hasn't fired in last two, so at a short price he's sketchy; not sold on. #8 Long On Value: US closer will like the straight, and Mott's seems confident; playable. #14 The Tin Man: Local GI winner can improve off the comeback 5th to the pick; capable.</p>
<p>RACE 5 Handicap 12:00PM ET</p>	<p>#20 Normandy Barriere: Enters with two solid runs this year and is a big price; bombs away. #7 Raucous: Good local 3rd in GIII last year, has run well this year and gets Moore; must-use. #18 Polybius: Woke up a big when 3rd at Meydan and has proven form here; can threaten. #16 Projection: Decent enough comeback, and should move forward off that run; in the mix.</p>
<p>RACE 6 Condition Race 12:35PM ET</p>	<p>#12 Qewy: Ended 2016 with a win and is here for a reason; ends a big meet for Godolphin. #16 Motherland: A good 3rd to a marathon star in last and will love the drop; huge chance. #13 Thomas Hobson: Looms a handful if he runs back after Wednesday win; must respect. #19 US Army Ranger: Stiff dropper is another who's been facing some big guns; dangerous.</p>
