These tournaments are offered ONLINE ONLY at https://www.xpressbet.com/.

2. PLAYER'S BANKROLL

These are 'real money' Handicapping Contests. In order to participate, this contest requires a $40 buy-in, per entry. Of each buy-in, $20 will be used for a player's bankroll, while the remaining $20 will be allocated to the prize pool (100% of entry fees will be paid out as prizes). Players may only compete online at www.xpressbet.com.

Online Participation
Players that compete online at www.xpressbet.com must make their wagers by logging in and using the Contest Wagerpad. Wagers not placed through the Contest Wagerpad do not count toward this

tournament. For assistance, please call 866.889.7737. Players must have an Xpressbet account in good standing to play. All contest winnings are the property of the player.

3. TO ENTER

As mentioned previously, players may choose to compete in these contests online at xpressbet.com. Each day is a separate tournament. There is a maximum of two (2) entries per person, per day.

No entries will be taken after the start of the fifth to last live thoroughbred race at the tournament track on the tournament day. For example, on a card with nine (9) races, the entry cutoff will be the start of Race #5.

Online registration begins approximately 48 hours in advance of each tournament. To participate in these contests, follow instructions at www.xpressbet.com. Participants must have or open a valid Xpressbet account that is in good standing, subject to the Xpressbet terms and conditions. Players must be at least 18 years old (19 years old in Nebraska and 21 years old in Arizona, Iowa, Kansas and Washington). Residents of state(s) that are unable to bet the tournament track(s) are also ineligible to participate in these tournaments online.

4. FORMAT

- Players may wager up to $20 per tournament, in the form of up to five (5) $2 Win/Place wagers, on no more than five (5) different horses in five (5) different live thoroughbred races at the tournament track. Each wager must be a $2 Win/Place wager, and a player may wager on only one (1) horse in any one (1) contest race (except to replace a scratched horse, as provided in Section 8).

- Players are not required to wager in all five races. A player who wagers in fewer than five races will not be disqualified for that reason.

- In the unlikely event of a cancellation of a full or partial race card, Contest Officials reserve the right to substitute races from another racetrack or cancel the tournament and issue refunds to all participants. In the event of a tournament cancellation, each player's entry fee will be refunded.

An entry will be disqualified from a contest if they:

- Make more than the maximum number of wagers allowed in this contest
- Wager more than the maximum amount of money allowed in this contest
- Wager in pool(s) not allowed in this contest
- Wager on more than one horse in a contest race, except to replace a scratched horse, as provided in Section 8
- Fail to comply with the wagering requirement for owners, trainers, and other interested parties in Section 11

The player with the highest total winnings from contest wagers after the last contest race will be declared the winner. It is the player's responsibility to meet the wagering limits and restrictions listed above. Contest officials will make the decision on disqualification in the event of a rule violation and all decisions are final. The remaining bankroll in their online Xpressbet account remains the property of the player. Entry fees will not be refunded in the event of a disqualification.

5. PRIZES

Per Item 2, 100% of the entry fees will be paid out as prizes. The final prize pool will be announced on the tournament day, after Registration closes.

One (1) seat to the December 13 Los Alamitos Closing Day Challenge, valued at $500, will be awarded for every 25 paid entries in each tournament. A minimum of one (1) seat will be awarded in each tournament regardless of the number of entries. Seats are awarded to the top finishers in order of final standing.

Any leftover cash will be paid to the highest finisher who did not receive a seat. Leftover Cash = ($20 entry fee × paid entries) − ($500 seat value × seats awarded), if greater than $0. Seats awarded equals paid entries divided by 25, rounded down, with a minimum of one (1).

Below are examples of the prize pool distribution depending on the number of entries in these contests:

At 25 entries, prizes will be:

- One (1) entry into the December 13 Los Alamitos Closing Day Challenge, valued at $500.

At 40 entries, prizes will be:

- One (1) entry into the December 13 Los Alamitos Closing Day Challenge, valued at $500.
- $300 cash prize to the second-place finisher.

At 50 entries, prizes will be:

- Two (2) entries into the December 13 Los Alamitos Closing Day Challenge, valued at $500 each.

LOS ALAMITOS CLOSING DAY CHALLENGE ENTRIES

The prize entries will be valid for the December 13 Los Alamitos Closing Day Challenge (total value $500). The Los Alamitos Closing Day Challenge is available exclusively on Xpressbet. If a player wins a seat in the Los Alamitos Closing Day Challenge but is unable to participate in the tournament, that seat may be sold or transferred to another eligible player by notifying contest officials. Seats may not be redeemed for cash.

Los Alamitos Closing Day Challenge Cancelation: In the event that Los Alamitos Closing Day Challenge is not contested, the winner of an entry will receive $500 in tournament credits that can be applied to any other buy-in tournament(s) offered by Xpressbet, Gulfstream Park or Santa Anita Park during 2026 or 2027.

6. CHECK IN FOR CONTEST ENTRIES

Xpressbet.com Check-In
On the day of the contest, after completing registration, the player must log into their Xpressbet account and bet the contest track with the Contest Wagerpad. If a player has purchased multiple entries, they will have the option to choose which Contest entry they would like to use on the Contest Wagerpad.

7. IRS WITHHOLDING

Withholding rules, laws, and regulations pertaining to pari-mutuel payouts for players participating in this contest are subject to the tax rules of the U.S. Treasury Department and the Internal Revenue Service (IRS).

8. SCRATCHES

Wagers on scratched horses receive no payout in the competition and that wager does not count toward a player's $20 wagering limit. They may submit another $2 Win/Place bet on another race. If a player notices that their horse is scratched in a particular race, they may submit a $2 Win/Place bet on another horse in that race before wagering closes for that race. Players must use the Contest Wagerpad to submit all tournament plays, including replacement wagers for scratched horses. Once a late scratch is processed by tote, the Contest Wagerpad will be available for submission of replacement wagers on scratched horses.

If there is no PLACE wagering for a contest race (due to late scratch(es) or racetrack discretion), that race will still be available in the contest as WIN wagering only. Contestants that choose to wager on a race (or races) without PLACE wagering are only able to make a $2 WIN bet on that race and still may only wager on a maximum of five (5) races. If a contestant wagers on one (1) race with no PLACE betting, they will only be authorized to make $18 in contest wagers, instead of the maximum of $20.

9. CONTEST STANDINGS

Contest standings will be based on each player's total winnings from contest wagers. Standings will rank all players from the largest to the smallest total winnings, with first place being the largest. "Winnings" means the total gross payoffs returned on a player's contest wagers, before subtracting the amount wagered. Refunds on scratched horses are not winnings.

Current standings will be posted after every race, or as soon as the information is available. Standings will be posted at xpressbet.com.

10. TIES

For Entry Prizes

In the event of a scoring tie amongst eligible contestants at the conclusion of the final live contest race for the contest day, the following tie-breakers will be put in place. Contest officials will start with the first tie-breaker, in the event there is still a tie, officials will use the second tie-breaker and so on, until the tie is resolved and a winner is declared.

- **1st Tiebreaker:** Number of 1st place finishes (WINS) amongst contest wagers.
- **2nd Tiebreaker:** The highest single-race payout on a contest wager, whether the combined Win and Place payoff on a winning horse or the Place payoff on a second-place horse.
- **3rd Tiebreaker:** Best (lowest) average finish position among contest wagers. The average finish placings of all horses selected for each tied contestant will be calculated and the contestant with the better (lower) average placing amongst all their contest wagers will be declared the winner.
- **4th Tiebreaker:** The tied player whose contest wagers include the longest priced horse will win the tiebreaker, based on final odds. For example, if Player #1's longest shot was 10/1 and Player #2's longest shot was 15/1, Player #2 would win the tiebreaker.
- **5th Tiebreaker:** The player who chronologically entered the tournament first will be declared the winner.

For Cash Prizes

If the tie occurs in a place in the standings that will earn a cash prize, then the cash prizes for that tied placing and the next lower cash placing(s), if any, will be combined and split evenly among the tied players. For example, if two players finish tied for second place in the final standings, then the cash prize for second place and the cash prize for third place will be combined together and then split evenly among the players tied for second place.

11. ELIGIBILITY/DISCLOSURE

The following are ineligible to participate in this contest: Employees of Xpressbet, Amtote and contest officials.

If a player has an ownership or other interest in any horses running in any of the contest races, or holds a pari-mutuel license in any jurisdiction, then all involvements and licenses must be fully disclosed to contest officials prior to the start of the contest. Failure to disclose any ownership interest or license can result in disqualification. Trainers, owners, or any other player with an interest in a horse running in a contest race may wager on that race but must wager on their horse. If a player has an interest in more than one horse in the race, the player must wager on one of those horses.

12. TAXES

Liabilities for any and all federal, state, and local taxes are solely the responsibility of prize winners.

13. AFFIDAVITS
